

K-Love provides many listeners in this Midland-Odessa area with a Christian environment of encouragement, love and hope. I have even seen people next to me in the streets singing along in their cars to the same song I am listening to. The wonderful testimonies and love that flows from this station have many times lifted me out of my depression.

If K-Love were not on the air, it would deprive ME, my FAMILY, my FRIENDS, other CHRISTIANS in the community, of feeding our spirits and obtaining an UPLIFTING MESSAGE of HOPE and LOVE. It would also DEPRIVE CHRISTIANS in this community our RIGHTS to listen to what we want to, and NOT HAVE to listen to GARBAGE!

K-LOVE is children and family friendly; I am 48 and have been personally offended by other channels as the hosts use cuss words and discuss things of a sexual nature on air during the time when parents are taking their kids to school. WE NEED GOOD, CLEAN, FUN UPLIFTING and MORAL STATION to help raise our next generation of leaders!! Clean up the smutt on TV And radio and not allow those of us who want to worship God through stations like K-Love and American Family Radio. Thank you.
